

Industrializing Corresponding Member - Membership Agreement

By the signature of its authorized representative below, Applicant, including its Affiliates (as defined in the Bylaws), agrees to be bound by the terms hereof as well as the terms and conditions stated in the Articles of Incorporation and Bylaws, Intellectual Property Rights Policy and Antitrust Guidelines (collectively, the “**Organizational Documents**”) of EMerge Alliance (the “**Alliance**”) as may apply to the Industrializing Corresponding Member class of membership stated in such Bylaws. Applicant is encouraged to review these materials prior to the execution of this Agreement. It is acknowledged and agreed that the rights of Industrializing Corresponding Members are limited to certain regional activities.

No Industrializing Corresponding Member Membership Agreement is binding on the Alliance until payment of the initial participation fee of \$500 US (for an organizational entity) or \$250 US (for an individual) ** is received (which fee may be deferred by action of the Board of Directors of the Alliance for up to thirty (30) days from acceptance hereof) and upon acceptance by the Alliance. Industrializing Corresponding Member class membership in the Alliance is a non-statutory member class established pursuant to Section 14.4 of the Alliance Bylaws. By signing below, the individual executing this Agreement on behalf of Applicant warrants that he or she has all requisite signing authority for and on behalf of the entity seeking participation and that the entity seeking membership meets all of the qualifications for membership as an Industrializing Corresponding Member.

The term of participation shall be on a year-to-year basis, expiring on the 365th day from the date of acceptance of this application. The Alliance will invoice the then-current renewal fee to Industrializing Corresponding Members ninety (90) days prior to the expiration of the pending term and a Industrializing Corresponding Member’s payment thereof shall constitute a renewal of participation as a Industrializing Corresponding Member. Failure to make a timely renewal payment shall be cause for suspension and termination of participation and member benefits. The Industrializing Corresponding Membership fee will increase on an annual basis but no annual fee increase shall be retroactive.

The undersigned agrees that, once accepted, all participation fees are nonrefundable for any reason, including termination of participation. There is no duty to renew any participation and renewal may only be accomplished as set forth above. The undersigned also certifies they are not a product manufacturer and eligible for this membership.
